Chapter 1 by Story Wars

I watched him slam his locker door shut and take Tia's hand. I watched him run a hand through his hair. All from a distance because no one can ever know what's going on between us. He turned around and winked at me. I blushed. Then he turned around and went on with what we always do. What do we do? We fool around in secret and talk, sometimes, but at school we pretend like nothing happens. Why? Because we can't tell anyone because we both aren't single.

Chapter 2 by Zara Rose

I don't really know how we had come to be cheating on our partners, but I know that I don't feel what I for Dec, for Andrew, my boyfriend. I did feel bad about cheating on Andrew, but I loved Dec. I couldn't help it. I sighed as I watched Andrew draw ever closer to me. I knew I had to break up with him soon, but I didn't know how. Andrew was sweet and sensitive to my needs and wants. Me breaking up with him will definitely break his heart. But I had to, so I could be with Dec.
